REFERENCE: Your Memo of 3 January 1956, Subject, "Research Aid on Geographic Area, Section of Map Library Division", and Attached Research Aid

1. [redacted] and others in the Map Library and I have reviewed the write-up of the Map Library Division and find it extremely interesting and informative. We particularly like the fresh approach which does not use the age-worn phrases to which we have become so accustomed. At the present time, I have no comments concerning the subetance of the write-up, but I would like to see it again with the write-ups of the other Divisions in order to examine the compatibility of the total product.

2. If you care to discuss certain parts of it with me, I would be happy to do so.
